Quinebarge — a small camp that soon feels like a big family of campers and staff! Living, playing and learning together builds friendships — fast friendships — that often last a lifetime. Our 70 acres of woods and fields and 1500 feet of waterfront offer everything a traditional camp should. Archery, Field Sports, Tennis, Volleyball and Mountain Bikes let campers work up a sweat. The High and Low Ropes Challenge Course, Zip Line, Climbing Tower, Gymnastics and Aerobics all tune our balance and spatial skills, while at the same time help build strength, teamwork and confidence. They also teach safety and caution as campers work up a sweat!

Swimming Instruction, Free Swims, Canoeing and Kayaking, along with Paddleboats and Water Bikes will cool off campers. Woodshop, Arts & Crafts and Ceramics allows creation, and our Nature Program and Horseback Riding teaches respect for our fellow creatures and the life around us. Camp Quinebarge's trip program has people out on hikes, overnights or river trips almost daily, and each week the whole camp takes a special trip together.
Quinebarge — a camp where kids have fun!
