Waldorf Summer Camp is a day camp for boys and girls ages 3-12. The camp offers a full-day program with both before and aftercare, and a variety of quality activities and special events led by dedicated and talented educators. Waldorf will give your child summer days with the right balance of activities and relaxation — filled with discovery, creativity, imagination and the opportunity to simply “be a kid.”

Nourish your child’s inherent connection to nature and enliven a sense of wonder! Our activities are old-fashioned, wholesome and healthy: singing, handcrafts, art, free play and nature exploration. There’s plenty of time to discover, create and imagine amongst woodlands, gardens and playgrounds in our much-loved camp. Other activities include organic cooking, gardening, watercolor painting, fencing, fort building, water play and cooperative games. Healthy organic snacks are provided daily and campers will enjoy a lunch brought from home. We end each one-week session with a festival day full of fun, games and laughter. The afternoon extended-care program includes a snack and age-appropriate activities such as bread-baking, storytelling, puppet shows, cooking, gardening, clay modeling and more.

Waldorf Summer Camp is held on the spacious campus of the Housatonic Valley Waldorf School, an independent day school in Newtown, offering grades 1-8 and early childhood classes. The Housatonic Valley Waldorf School is a fully accredited member of the Association of Waldorf Schools of North America and the Connecticut Association of Independent Schools.
