ESF Summer Camps at Greenwich Academy is far more than a season at camp. ESF is a place where campers feel at home their very first year, where new experiences can be tried and old skills improved. Whether you are searching for a fun-filled camp experience for a younger camper which offers a variety of exciting, hands-on activities; an action-packed, multisports camp; or a camp designed to broaden the horizons of the older camper, ESF has camps that will create incredible memories, build life skills and empower futures!

This year, camp will be from June 18-August 17 with 2-9 week sessions available. Camp hours are 9 a.m.-3 p.m. and ESF's extended day program is available from 8-9 a.m. and from 3-6 p.m.

ESF Camp Open Houses: Sat., March 10, 1-4 p.m. and Sun., April 22, 1-4 p.m.
