Four Seasons Racquet Club is proud to offer the finest Summer Academy Program in the area. Featuring Pee Wee and QuickStart Tennis up through Competitive Training, our 4:1 student-instructor ratio guarantees the highest level of personal attention, quality instruction and lots of fun! Plus, participants are able to enjoy our outdoor heated pool each camp day. Weekly sessions begin June 11.

Pee Wee Tennis, for children ages 3-5, is designed to introduce children to the game of tennis in a healthy and enjoyable manner. Through innovative and enjoyable activities and games, each child will develop their hand-eye coordination, balance, movement and racquet skills.

QuickStart Tennis, for children ages 5-10, uses scaled down courts, special balls and equipment designed to get children rallying and playing the game quickly. The shorter and narrower courts provide children with the confidence and ability to cover the entire court while the smaller racquets are easier to control and the QuickStart balls provide for better and longer rallies.

The Four Seasons **Competitive Training** program is designed for the junior player with school team or tournament aspirations. Over the past 35 years, Four Seasons has developed thousands of ranked juniors as well as school team players and several that have gone on to play professional tennis.
