Greenwich Academy can take students just about anywhere they want to go — academically, artistically or athletically. Whether students are interested in forensics or poetry, farming or fantasy-writing workshops, they will find a course to match their interests.

Greenwich Academy's top-notch facilities and expansive campus provide the perfect setting for summer study and projects. Greenwich Academy Summer Program 2012 also boasts a roster of its own first-rate faculty as well as other distinguished teachers and mentors.

We invite you to take a look and enroll in a course today!
