

Pequot & Sherwood Day Camp

253 Bushy Hill Road

Ivoryton, CT 06442

860-767-0848

www.pequotsherwood.org

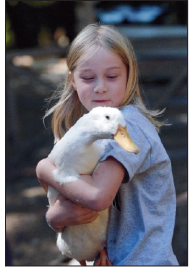

Running in one-week sessions for boys and girls, ages 6-13, **Pequot & Sherwood Day Camp** offers a day program for local families that is very similar to the Pequot & Sherwood sleep away camps.

As in our overnight camp programs, campers create their own schedule, choosing activities from all of the traditional camp activities. We have field and court sports, a farm with over 50 farm animals, a working garden, an art studio with two state-of-the-art kilns, and a mile-long crystal clear lake. Campers spend two hours a day down at the lake enjoying American Red Cross swimming and boating instruction.

Pequot & Sherwood puts a heavy emphasis on play and creativity, and we encourage our counselors to create their own unique activities. No two campers have the same experience!

Day campers and sleep away campers use the same activity spaces but are on a schedule rotation that keeps the programs separate. This ensures that all of our campers enjoy the same great activities while maintaining the special

feeling that comes with a smaller unit of camp mates.

Lunch is provided and transportation is available.

Register today to be part of the oldest operating co-ed camp in the nation!
