Since 1947, Winding Trails Summer Day Camp has been providing children, ages 3-13, with fond and unforgettable memories. Winding Trails has an extensive summer of opportunities for your child's enjoyment with over 25 different activity areas. Watch as your child grows socially, physically and emotionally while the summer unfolds.

Winding Trails Summer Day Camp has some of the finest facilities in New England. The camp is located on the property of Winding Trails, Inc. and sits upon 350 acres of prime woodland with bubbling brooks, lakes and ponds, and state-of-the-art recreational facilities.

The camp operates Monday–Friday, 9 a.m.–3:30 p.m. (extended hours are available) starting on June 25 until August 17. There are four two-week sessions:

Session 1: 6/25-7/6 • *Discovery*

Session 2: 7/9-7/20 • *Viking Adventure*

Session 3: 7/23-8/3 • *Wizards Tournament*

Session 4: 8/6-8/17 • *Olympic Spirit*

Campers are grouped according to the grade they are entering in the fall. All camp groups are coed. The full-day camp promises to bring smiles to your

child's face with activities such as swimming, arts and crafts, nature, archery, sports, boating, music and drama, and our outdoor adventure course. The half-day program for 3–5 year-olds will help your child create a special bond between our counselors and their camp buddies. All of our weeks follow the same basic schedule that includes swimming, sports and specialty areas such as arts and crafts, music and drama, nature, boating and more. The session themes include dress up days, theme related special events and often a performance.

Transportation is available in the greater Hartford area, please check our website at www.windingtrails.org for bus information.
