SUMMER VACATION
EXPLORATION
CAMPS

Kids have FUN on summer vacation at the Connecticut Science Center! Your child will love these fun, interactive science enrichment camps. Campers tackle a different science activity each week; plus, they'll enjoy supervised free time to explore the Science Center's 10 galleries and 165 hands-on exhibits. New for 2019! Not only does the Science Center offer Vacation Exploration Camp for students entering grades 1-6, but now campers entering grades 7-9 can be TrailBlazers! Attend one week or all six!
