YALE  
PEABODY  
MUSEUM

Peabody Summer Camps are fun, educational and real family favorites! With a wide selection of themes and dates, for children entering grades 1-7, you are sure to find an incredible experience for your child at the Peabody.

Camps feature hands-on fun behind-the-scenes tours, working with real specimens and more. Choose one or more of the following:

## *Grades 1-3*

**July 8-12 and July 22-26: Incredible Animals!** — Learn about the incredible animals during a week filled with exciting activities, special behind-the-scenes tours and appearances by live animals!

## *Grades 4-6*

**July 8-12: Archaeologists League** — Explore human history and prehistory, delve into ancient civilizations and uncover hidden wonders.

**July 15-19: Paleontologists League** — Go on a journey through the Peabody's fossil collections.

**July 22-26: Peabody Naturalists** — Learn what makes animals and plants such a crucial and awesome part of our planet.

**July 29-August 2: Hidden Worlds** — Delve into microscopic life, view sunspots, explore the inner workings of projectors and construct a simple lens-based instrument.

**August 5-9: Terra Firma** — Explore rocks, minerals and meteorites in depth, take a hike to a formation of ancient lava and venture out on a mineral collecting field expedition to a nearby quarry!
