Just Wee Two, created by Helen Beck and Ruth Broitman in 1982, is a fun-filled program for young children ages 8 months to 3 1/2 years and their mommies (daddies, nannies, grandparents, etc.). Through activities such as music, arts and crafts, playtime, stories and snack, children are encouraged to explore, discover, interact and enjoy this special time in their lives. This program provides a unique opportunity for grownups to share this magical experience. There are three 11 week sessions — a fall, winter, and spring — and a six week mini-camp summer session.

During playtime, children learn and interact through games, puzzles, slides, easels and riding toys. Stories are specially selected and creatively presented and geared to the child's age level. Even the youngest kids will have fun with arts and crafts while they paint, paste, glue, glitter and work with play-dough, bringing home a new project each week. Snack time is geared for sharing and socializing. During Music and Movement, children learn nursery songs and finger-plays. They will work with rhythm instruments, listen to CDs, walk on the balance beam, play circle games, play with bean bags, parachute, puppets and more.

In addition to the *Parent and Child* classes, Just Wee Two offers *Partial Separation* programs designed for children 24 months and older that focus on separation readiness skills. Two days a week separation programs include *Just For Me* and *Wee Step Up*. *Wee Step Up* is a year-long commitment to a pre-nursery for 2 1/2-3 1/2 year olds. *Just Crafts* is an extracurricular program for 3-5 year olds and *ABC's and More* is an enrichment class for 34-42 month olds. The *Infant Class* is a musical and hands-on experience for babies.

Just Wee Two is where children and grown-ups learn and play together!
