www.jumpzoneparty.com

Jump!Zone of the Farmington Valley in Canton has become the favorite indoor play and party destination for children throughout Connecticut — a safe, indoor environment where they can leap and slide on a huge Batman or SpongeBob SquarePants inflatable, a gigantic T-Rex dinosaur, a life-sized fire engine, a Disney princess castle or an African safari playscape.

Jump!Zone offers open play hours from Tuesday through Friday. Then, from Friday afternoon through Sunday, Jump!Zone becomes party central, with birthday celebrations one after the other in three party rooms. Each birthday boy or girl can invite 15-25 friends for a 1 hour and 45 minute bash with balloons, cake and lots of time on the inflatables.

Jump!Zone also features a variety of special parties — field trips for schools, camps, clubs, sports teams, and charitable organizations; festivities for Halloween, New Year and Valentine's Day; Bar and Bat Mitzvahs; specials on school holidays and summer vacation; and a Kids' Night Out on Friday evenings, when parents can drop off their children (ages 5 to 10) for two hours to enjoy a pizza and plenty of exercise on the inflatables.

To make a reservation for a party, call or visit us on the web.
