**Kahana Hula** children's programs are designed for children of all ages. The shows are unique, fun, and interactive, with songs, dances and stories that teach children Hawaiian songs, dances and language while learning fascinating facts about Hawaii's history, culture, island foods and more.

Children practice listening and rhythmic skills through storytelling, sing along and Hawaiian Hula, Maori, Samoan and Tahitian dances. Children also learn the values and traditions of Hawaii such as aloha (unconditional love and respect for others), ohana (family) and to malama ka 'aina (care for the land).

The 30-minute to one-hour shows are designed for your party or program. Also available are Ukulele/Guitar duo; and Island crafts — stringing leis, making Maori poi balls, making Tahitian hand tassels, making an island headdress, coconut shell decorating and more. Souvenir shells, poi balls, leis, grass skirts, hand tassels, sarongs, photos and photo card frames are available as well.
