The **Children's Museum at Holyoke** invites you to party at our place...!

Host the party in one of our themed rooms for an hour and a half, but stay and play until we close. Your birthday child and guests can climb the Curvy Climber and get a bird's eye view of all the hands-on exhibits, then travel through our museum to explore! They can blow an awesome bubble, "drive" the ambulance, splash and pour at our water exhibit, play the bongos, paint a masterpiece, be the fry cook in the Do-Da Diner, freeze their shadows, and then go FETCH! in the FETCH!Lab and WGBY TV studio.

We provide the paper goods, a museum t-shirt for the birthday child, foam masks for all your child's guests, passes for a return visit, postcard party invitations and — new this year — a Birthday Buddy to make the party stress-free.

*We specialize in
imaginative play,
but the fun is real!*
