Looking for a *COOL* place to have your child's next birthday party? Then skate to **Fairfield Ice Academy**! Children can play hockey and on-ice games that will use hoola hoops, balls and more. We can even turn off the lights and put on the disco ball! The kids will LOVE it!

The party package includes one hour of skating in a private rink; assistants and skate aids that will help with off-ice organization and on-ice games and activities; 30 minutes off-ice for meal and cake; discounts at local restaurants with delivery; paper goods, set up and clean up; disco ball and ipod hook up (we supply music or you can bring your own!); helium balloons for each child; skate rentals; and free a skate pass for all guests. A second rink available at an additional cost. Parties are typically held on Sundays at anytime — email us for another day.

We will need a waiver signed by a parent/guardian for each participant. Please notify us, three days prior to the party date, with the names of the guests and their shoe size if they need to rent skates.
