Caricatures provide a fun environment at any party or event for kids and adults! The crowd will roar with laughter and fun, as their friends get drawn in a flattering but humorous fashion! Caricatures also make the most unique gifts that your guests will ever get! A perfect entertainment choice for friendly gatherings such as birthdays, holiday parties, company picnics, family reunions, bar/bat mitzvahs, wedding receptions, post-proms, graduations, grand openings, open houses, conventions, trade shows and more!

With over 18 years of professional experience and his ability to entertain an audience, Bill Hernandez of **PartyCartoons.com** has established himself as one of the best and fastest caricature artists in the United States. His caricatures are fun and flattering — capturing a person's personality and likeness in a flash. His speedy pen and entertaining ways will assure any event to be "one to remember!"

Bill is best known for his great sense of humor and his wonderful interaction with people while he draws. Always professional in both appearance and attitude, Bill Hernandez delivers as both a caricaturist and an entertainer. He is recognized by many as one of the best in the caricature and entertainment business.

Bill also does freelance work including commissioned detailed caricatures from photos. See examples at www.PartyCartoons.com.
