Connecticut's only zoo gives three bald eagles brand new homes. Come see the new eagle exhibit along with its antique Carousel, unique Victorian Greenhouse, picturesque Picnic Grove, and Hanson Exploration Station. It is a truly memorable place for a birthday celebration, corporate gathering, holiday party — even your wedding!

With more than 120 species of animals, a New England Farmyard and 52 beautiful acres in Beardsley Park, Connecticut's Beardsley Zoo is a fun and exciting place for any event, any time of year. Come learn about the Zoo's many endangered and threatened species, including a pair of Amur Tigers, an Andean Bear, maned wolves and golden lion tamarins. Explore the South American rainforest with free flight aviary, then walk through the prairie dog exhibit with "pop-up" viewing areas.

The Zoo plans fun and educational events and programs that will delight guests of all ages. Parties may include a visit from a zoo animal, a critter craft and rides on our colorful carousel. Events may be scheduled on Saturday or Sunday from 11 a.m.-12:30 p.m. or 1:30-3 p.m. Packages are based on a maximum of 15 children, but more guests may be added for an additional fee.
