Joby & Socks combines the husband and wife clowning talents of Joe and Claudia Boerst. Since 1989, they've entertained children at all kinds of events: birthday or holiday parties, schools, pre-schools, company picnics, promotions & events, restaurants, grand openings — *WHATEVER AND WHEREVER!*

What's unique about their parties is that two activities can take place simultaneously during your event — Joby makes balloon animals while Socks paints hands/faces of the young guests. They also perform a colorful, fun magic show for the kids. Karaoke, theme parties, cookie decorating, crafts and more are also available. Socks is also available by herself, and has added the option of simple make-up.

As the KaraLot Clowns, they clown in hospitals and nursing homes, and train "caring clowns" for healthcare programs. They've also developed a well-loved presentation for people who want to add something different, yet spiritual and loving, at memorial services.

Let Joby & Socks add some FUN to your FUNction! They're available seven days a week. For more information, call 203-866-4915 or e-mail jbysocks@optonline.net.
