**Magic Moments** is professional magician **Bryan Lizotte**. He has been performing magic shows, geared to all ages, for over 20 years.

His children's birthday party show is also very entertaining for adults. A number of children assist with tricks during the show. There is a special trick for the birthday child where he pretends to bake a cake, but magically produces candy for the children. The show also includes the appearance of a real bunny rabbit and ends with making balloon animals for each child.

Bryan specializes in close-up magic for adults and children at fairs, festivals and for private and corporate functions. He can be seen weekly at restaurants throughout CT entertaining tableside with magic and balloons. See Bryan's schedule at **[www.CTrestaurantENTERTAINERS.com](http://www.CTrestaurantENTERTAINERS.com)**.

Bryan is also the magician for Thomas the Tank Engine events in CT and also for the Bridgeport Sound Tigers hockey games. Bryan and his partner, Sue Curran, are well known for their anti-bullying magic shows presented to children in grades K-6.

So, whether you live in CT or nearby, call Bryan to make your own Magic Moment.
