Birthdays become extra special when you add a splash of CoCo!

This is no everyday birthday party — This is a CoCo Key party! Our Celebration Coordinator and Party Host help with all the details so you can relax and have fun! Experience Connecticut's ultimate indoor water resort. No matter what the weather's like outside, it's always a bright and sunny 84° at Coco Key! With over 55,000 sq. ft. of indoor Key West-style adventure, **CoCo Key Water Resort Hotel & Convention Center** has all the fun and excitement you and your friends can handle.

CoCo Key parties include two hours of open swim, one hour in a decorated celebration room to enjoy the birthday meal of either hot dogs with potato chips or pizza and a choice of chocolate or white birthday cake, one hour in Key Quest Arcade where each child will receive a \$5 arcade card and, of course, goody bags to take home. Each CoCo Key party requires a minimum of 10 children and will include complimentary admission passes for two chaperones.
