If you would like to invite all of your closest friends to celebrate your birthday in a very special way then **A Bead of Roses** is just the place for you!

During this 90-minute private party, our staff members will easily instruct all of your friends on how to make their very own designer jewelry by using the highest quality crystals, semi-precious stones and beads in the studio.

Our bead shop can comfortably accommodate up to 24 guests and the cost of each guest is based on which package is chosen. Parties include all of the beading materials, instruction and the use of all of our professional hand tools. Cake, pizza and water can be brought into the store.

There are FIVE Party Packages to choose from:

- Gold Package: Elastic Bracelet and Ring Set (5 years and up)
- Memory Wire Bracelet Package (8 years and up)
- Vermail Package: Charm Bracelet Package (10 years and up)
- Platinum Package: 16-inch Necklace with an optional Pendant (7 years and up)
