**All About Art** is proud to announce that the new Party Room is ready! We have spent all summer creating a beautiful castle in the sky on our second floor to house our Princess Party Room. "The room is every little girl's fantasy," says All About Art owner, Jill Holmes. "Our summer students' eyes lit up when they saw the renovations we were doing to create this very special space."

In addition to the all new Princess Party area, All About Art changed their children's birthday party offerings with new themes and activities. Parents can select from the following: Princess Party, Pirate Party, Super Hero Party, Glamour Party or Tea Party. "We will also continue to offer our popular Paint Your Own Ceramics Parties and our Story and Craft Parties — they are always well received by parents and children alike." Best of all, All About Art can customize each child's birthday party to the interests of the birthday child and his or her guests.

Parents can visit the All About Art website for complete details, photographs and pricing information: [www.allaboutart.biz](http://www.allaboutart.biz). Any questions? Email owner, Jill Holmes, at [jillallaboutart@yahoo.com](mailto:jillallaboutart@yahoo.com).
