Birthday Parties to Remember offers princess dress up tea parties, superheroes, magicians, clowns, pirates, characters, dance & glamour parties and more!

All parties include dress-up costumes for the children, age-appropriate games with prizes, amazing face painting, balloon sculpting, crafts, tattoos, stickers and a photo session! *All parties can be customized!*

We take the stress out of the entire event from planning the event to running the activities so you can simply enjoy that special day with your child. After all, that's what special celebrations should be about — creating great memories that last a lifetime!
