**Flamig Farm** provides a place where kids and adults can go to relax, play and learn about the world so they can live more harmoniously with the environment. Flamig Farm also provides a place for celebrations!

The party room and party pavilion can be reserved for birthday parties, barbecues, company outings, reunions and more. The party room, available for three different time slots for \$275, includes a private kitchen, restroom facilities, tables, chairs and a woodstove. Referrals can even be made for local catering and entertainment! In addition to the room rental, you also get entrance to the Farm Animal Zoo with grain to feed the animals, a farmer guide, pony ride or tractor ride (15 pony rides per slot or a tractor ride for 30 people) and a really fun time!

You can also reserve one or two tables (\$20/table per hour), or reserve the entire party pavilion (\$250 for two hours), which can accommodate 80 people!

At the Farm Animal Zoo, there is a cast of characters to entertain everyone — bunnies, draft horses, piglets, llamas, peacocks, happy, egg-laying chickens, emus, ducks and sheep! If you're not "partying like an animal," the zoo is open April-November from 9 a.m.-5 p.m. or dusk. Admission is \$4.
