Stay and Play parties are as much fun for the adults as they are for the kids! We are well-known for catering to parents with gourmet coffee, comfy furniture and great music — our parties are no exception. If you enjoy playing at Stay and Play, then you'll love to party here too!

Our friendly staff takes care of all the details so you can enjoy the experience worry-free! We provide invitations with directions, free all-day admission, your own private party area, drinks, eco-friendly setup and balloons for all the kids. We do all the clean-up and even take the presents out to your car!

You provide the food, cake and goodie bags, and our staff will do the rest, so you can socialize and have fun with your guests! Take 10 percent off your goodie bags when purchased from our terrific Toy Store.

Let the kids make a mess at our place, not yours! We offer weekend, weekday and deluxe, private, after-hours parties. Call 860-395-4446 to book your party, visit StayAndPlayLLC.com for more information, and "Like" us on Facebook!
