American Girl Birthday Parties promises a unique and creative party experience for your special girl. Owner and arts educator, Claudia Mathison brings the party to you, supplying crafts, American Girl goody bags and a gift for the birthday girl.

Popular projects to choose from include: a felt purse, a cuddly stuffed animal, a fabric doll and a decorative jewelry box. Claudia brings traditional games to play and vintage clothes and accessories for the guests to model. She also shares American Girl stories and highlights the birthday girl's favorite doll.

American Girl Birthday Parties offers Crafty Tea Parties and Fancy Nancy and Fairy Princess themes. Girl Scout leaders are welcome to contact Claudia for assistance with badge requirements that relate to sewing, crafts and history.
