Explore and Experience the Worlds of Art and Science at the **Bruce Museum** in Greenwich. The Bruce Museum offers a range of educational programming to complement its exhibitions and collections. Programs and activities are designed to appeal to a wide variety of families and children, including education programs for schools, after-school programs, the award-winning Neighborhood Collaborative, family days, school vacation programming and summer workshops — plus the Brucemobile.

New this year — the museum is offering **Birthday Parties** with age-appropriate programs developed to delight and educate children.
