Where can you eat cake and hang out with a 75-foot long Apatosaurus skeleton under the same roof? At the world renowned **Yale Peabody Museum of Natural History**! Birthday parties are available to everyone — although members of the museum receive a generous discount.

The Birthday Party package includes fun and educational activities led by trained staff members and volunteers. Each party is individual, based on the interests of the birthday boy or girl, be it dinosaurs, rocks and minerals, ancient Egypt, or a combination! All parties include fossil digging and other fun activities, guided time in the exhibit halls, electronic invitations, paper goods and time for cake and presents. You bring the food, beverages and decorations. Filled goodie bags can be added for an additional cost. After the party, your group will be able to visit the museum at no charge.

Parties are available on Saturdays at 10:30 a.m., 12:45 p.m. and 3 p.m.; and on Sundays at 12:45 p.m. and 3 p.m. Call today to book this unique and memorable experience!
